TO: ALL BIDDERS

Dear Sir/Madam,

ADDENDUM 1: CLARIFICATION

RE: TENDER FOR THE SUPPLY OF ASSET TAGS - REF NO. GDC/FIN/OT/049/2017-2018

In response to bidder request for clarification, GDC wishes to respond as follows;

Bidders Question 1

What is the name of the asset software currently in use?

GDC Response

Sage Asset tagging module

Bidders Question 2

Does the sample of the tag to be supplied during bid submission have to be GDC sample or any other sample that is compatible?

GDC Response

The Sample tag doesn't necessarily need to be in GDC logo but it must be compatible with the software in use, however the winning firm will be required to supply the asset tags with GDC logo and in conformance to specification provided in the tender document.

Bidders Question 3

Provide specification for the brushes?

GDC Response

The brushes specification is as inspected/viewed during the site visit held on 2nd May 2018.

NB: The closing date of **Tuesday 8th May, 2018 at 2.00Pm** and all other instructions **remain unchanged.**
