16th December, 2022.

Dear Sir/Madam,

ADDENDUM 5: CLARIFICATION.

RE: TENDER FOR SUPPLY OF PERSONAL PROTECTIVE EQUIPMENT (PPE'S) - TENDER NO: GDC/SHE/OT/032/2022:2023

No.	Tenderer Query	GDC Response
1.	<p>Technical Requirement No. 5 – According to the technical requirement, No. 5, the bidders must provide evidence of having supplied personal protective equipment (indicate client/company, items supplied, value of items and year of supply) i.e. Provide recommendation letters (3 in No.) to support the experience. However, in this requirement is against the sprit of AGPO as it limits companies who are willing and in a position to supply the PPE's yet have to produce not 1 but 3 LPO's showing evidence of only PPE's supplied in the past and not any other equipment. This locks out, AGPO Participant's who have credible track record of supply (even on other high value contracts) for other private and public companies and those who are new to the supply business who would like to support the procurement in state owned companies. Kindly revise and/or advise on this restriction</p>	<p>The requirement remains as stipulated in the tender document.</p>

All other instructions including the tender submission/closing date of 19th December 2022 at 2:00PM remain unchanged.

Yours faithfully,

PATRICK KAPTO
