17th August, 2022.

Dear Sir/Madam,

ADDENDUM 2: EXTENSION OF TENDER CLOSING DATE.

RE: EXPRESSION OF INTEREST (EOI) FROM POTENTIAL FIRMS AND/OR CONSORTIUMS TO EXPRESS INTEREST IN UNDERTAKING “A DETAILED FEASIBILITY STUDY FOR ESTABLISHMENT OF A GEOTHERMAL HEATED SWIMMING POOL AND SPA COMPLEX PLUS OTHER ASSOCIATED INFRASTRUCTURE IN MENENGAI GEOTHERMAL FIELD, NAKURU-KENYA - TENDER NO: GDC/DU/EOI/001/2022-2023

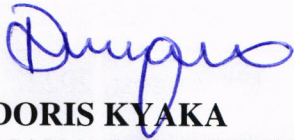

In response to bidder’s request for clarification, GDC wishes to respond as follows;

No.	Tenderer Query	GDC Response
1	We refer to the above subject matter as advertised by GDC and due for closure on 18th August 2022. We hereby request that the closing date for submission of the said EOI be postponed and more time be considered to allow us to complete a competitive bid. This is in consideration of the past days where the country was in the electioneering mode and most of our foreign partners were not certain of the election outcomes in terms of stability of the country. It is in our considered opinion that if granted an extension of the closing date by a month, we will be able to submit to GDC a complete and competitive EOI which meets the criteria as required.	GDC wishes to extend the tender closing date from 18 th August 2022 to Friday 2nd September 2022 at 14:00Hours East African Time.

All other instructions remain unchanged.

Yours faithfully,

DORIS KYAKA
MANAGER, SUPPLY CHAIN
