TO: ALL BIDDERS

ADDENDUM 2 – CLARIFICATION

RE: TENDER FOR SUPPLY AND DELIVERY OF WELL TEST SPARE PARTS AND ACCESSORIES – Ref: GDC/891/0050/2025-2026

In response to your request for clarification, GDC wishes to respond as follows;

S.N	INVESTORS' QUESTIONS	GDC CLARIFICATIONS
1.	Kindly share the drawings/diagrams for the referenced item(s), if available, as they will assist us in identifying the correct specifications and preparing a responsive submission.	Supply as per specifications in the tender document for items (2&3). For items 4 & 5 bidders should follow the dimensions as per the ASME B 16.5 standard of 2020, material ASTM A105.
2.	Kindly confirm whether the adapter flanges required are forged one-piece adapters or fabricated/welded adapters, as this has a significant impact on cost and pricing.	Flanges are to be fabricated with no welding.
3.	Please confirm whether equivalent API 6A-certified manufacturers are acceptable for the RTJs.	Equivalent API 6A-certified manufacturers are acceptable
4.	Kindly confirm whether equivalent manufacturers for gas detectors will be accepted, provided they fully meet the required certifications and technical specifications.	Equivalent manufacturers will be accepted.
5.	Please clarify the required purity levels for the tracers, as	Purity is 99%

	the document only specifies: 1.5 NDS,2.7 NDS,50 kg each.	
6.	We just got feedback from our supplier technical team that the bolt dimensions don't match the specs of the required flanges. Could you please confirm if the listed bolts and nuts are not to be used with the Flange Adaptors, but for other flanges instead? May you share technical drawing for both bolts, Nuts and Flange adapters We look forward to receiving from you.	Items are to be supplied as per the line items specified in the tender. Refer to (1) above for further clarifications.
7.	Due to the chain of distribution of the hand tools that you require, the manufacturer cannot offer MAF directly to us but they can offer through the local distributors. Can this be accepted?	Manufacturer Authorization is not required

NB: All other requirements/instructions including the closing date of **29th June 2026 at 11.00am** remain unchanged.

Yours faithfully,

PATRICK KAPTO
MANAGER, SUPPLY CHAIN MANAGEMENT
FOR: GEOTHERMAL DEVELOPMENT COMPANY
